US Commercial Roofing Products Price Increase
Effective May 4, 2026

Dear CertainTeed Commercial Roofing Customers:

CertainTeed will increase pricing on commercial roofing roll roofing products and accessories by up to 8% effective May 4, 2026.

Orders shipped on or after May 4, 2026, will be invoiced at the new price, regardless of the order entry date. You will be provided with updated price sheets April 6, 2026.

We appreciate your continued support of CertainTeed Commercial Roofing Products and will continue to strive to be your valued supplier. Please contact your local territory manager with any questions.

Sincerely,

Robert Montanaro
Business Director
Commercial Building & Infrastructure

Please distribute this notification to all of the appropriate people in your company.
