PHOENIX, AZ 85009-5933

September 25th, 2026

To Our Valued Customers,

Effective with shipments on and after Monday, October 5, 2026, the transportation surcharge on all SECUROCK® Roofing shipments will increase to $700 per truckload for the following products:

- All SECUROCK® Roofing Products. (This includes Glass-Mat, Coated Glass-Mat, Weather Defense, Gypsum-Fiber and Cement Roof Boards, as well as our Patch product.)

As a general service reminder, consider ordering your materials early. Order lead times can impact access to freight and material. Opening your locations' available delivery window can also improve truck/carrier availability.

As always, our goal is to offer you the best products at the best value. We appreciate your business and look forward to continuing to serve you. If you have any questions, please contact your local USG SECUROCK® Roofing Sales Representative.

Sincerely,

Derrick W. Hutchinson
